

Air Supremacy - The Worship Warrior Series Part 3 - Ascending & Quantum Glory

- Ascending to the Heavens to Unlock gifts
- Heavenly Things
- Quantum Glory

Jesus ascended way up high, to the Most High God in Heaven (El Elyon), to unlock gifts for mankind. The Lord had the keys and he opened the vault that had our gifts in storage (promises spoken before the foundation of the earth - See Eph. 1:3-6 “*who has blessed us with every spiritual blessing in the heavenly places in Christ*” - and made them ready to now be manifested. Today we can ascend to the Heavens, after Jesus' ascension, and appropriate everything that Adam and Eve lost. Think about that. The Heavens are wide open and the pockets of our God are bursting with all kinds of gifts for His people. We are to possess what the Lord dispossessed the enemy from (Judges 11:24, Colo. 2:15) for us. The People of God must take its rightful position and have dominion once again over the waters, the ground and the sky (Gen. 1:27-28).

*“But to each one of us grace was given
according to the measure of Christ's gift.
Therefore He says: When He ascended on high,
He led captivity captive, and gave gifts to men.”* - Ephesians 4:7-8

Jesus took captivity captive, he established air supremacy, He disarmed principalities and powers (Colo. 2:15). Therefore everything that was confined is now released, and what was taken hostage has now been made free. Selah (Pause and think about that). Paul went to the 3rd heaven says 2 Cor. 12:2-4. After Paul's ascension to the Heavens he says to the Romans (1:11) “*I long to see you so that I may impart to you some spiritual gift to make you strong*” (The letter to the Romans was written before the letter of 2 Corinthians). Paul walked in the authority of air supremacy.

We are to ascend to the Heavens, as Jesus did, and we bring down to earth the gifts we receive in his presence. The Lord wants us to do what He did (1 Peter 2:21, John 14:12). How many gifts the Lord unlocked for his people? We have the gift of the Holy Spirit (John 16:7), we have the gift of the five fold ministries (Eph. 4:11) and we have the spiritual gifts (Rom. 12:6-8, 1Cor. 12:4-11). Are there any other gifts?

Heavenly Things

Revelation is progressive, we have reached the fullness of time for a fresh move of God. Every single movement the Lord unlocks upon his people shakes the man-made structures we have built (protestant movement, healing movement, holiness movement, etc). There is a new movement and it has already began (1 Cor. 3:2, Gal.4:1, Hebrews 5:12-14) and as we grow in the Lord he unveils (Mark 4:33, Luke 9:45, Eph. 3:14 TPT) more of the mysteries that have been reserved for our generation (Math. 13:11, Dan. 12:9).

*"If I have told you earthly things and you do not believe,
how will you believe if I tell you heavenly things?" - John 3:12*

It is God who opens our understanding and gives us revelation (Math. 11:25, Daniel 2:28) to appropriate what he has for us. There are heavenly things, secrets and mysteries, the Lord has kept for his people *"to know the mysteries of the Kingdom of Heaven"* - Mathew 13:11. Catch the declaration Jesus made when he declared in John 14:12 *"Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. Can you see that? because I am going to the Father, meaning I will unlock, set free and release a greater measure, new expressions of the power of His love. What greater things can those be?"*

- Time is subject by the command of a man of God - Joshua 10:12-13

*"And he said in the sight of Israel,
Sun, stand still over Gibeon;
And Moon, in the Valley of Aijalon.
So the sun stood still, And the moon stopped"*

- Time had to bow down at the word of the prophet - Isaiah 38:8

*"Behold, I will bring the shadow on the sundial,
which has gone down with the sun on the sundial of Ahaz,
ten degrees backward." So the sun returned ten degrees
on the dial by which it had gone down."*

Having dominion over the sun and the moon is air supremacy. What do you think? There are things the Lord is about to unveil in us that will surpass the former glory (Haggai 2:9, 2 Cor. 3:8, Hebrews 8:6). We have experienced miracles at a mankind-level, miracles that minister to the needs of people, healing, salvation, deliverance, provisions, and others like these. The Lord is about to break his own record, he is about to bust our mindset, those expectations for him to meet the "me-myself-and-I" needs. We are now entering a new realm of glory, stewarding creation.

QUANTUM GLORY

It is time that religion catches up with the revelation of God in science. Simple definition of quantum mechanics is the science that deals with the behavior of matter and light on the atomic and subatomic scale. Quantum Glory then is the ruling voice of God in us impacting the very essence of the subatomic particles of our world. The womb of creation is the spirit of the Lord and as God deposits in us the vision we declare the creative miracles and we give “birth”. When the Quantum Glory of God manifests, we experience all sorts of supernatural “abnormal” occurrences. Out of the quantum waves of “energy”, meaning the power of God, the world is created and the invisible substance gives birth to the visible (Colo. 1:16). A personal God who has intentionally revealed himself.

A scientist and a theologian have different perspectives yet there is a convergence coming that will bring confirmation to the world about the declarations we see in the Bible. The Lord is honoring his own word (see Isaiah 42:21). The Lord is restoring the supernatural creative ability to speak things that are not as though they are (Rom. 4:17, 2 Cor. 4:18, Psalm 33:9).

We went to Palm Beach, Florida, in an assignment the Lord sent us to back in 2020. Our team was to pray at the port where international ships come by the thousands, according to the maritime world, and newscasters. We needed to get close to the control tower but due to security we were not allowed, by the leading of the Holy Spirit we found a small park that was in the form of an inlet facing the control tower location. The team gathered together covertly, it was a beautiful day with bright blue skies, and so we began praying. We declared the word of the Lord over the port, we sang over the control tower, we took communion establishing covenant and we released powerful prophetic declarations over the waters coming to Florida. The presence of God was all around us as we quietly moved and prayed. We wanted to pray over the presiding senator of the region but we learned her office was a couple of blocks away, and so we had to leave and could not go there. We left and about an hour after we prayed the waters in the ocean became increasingly agitated. Waterspouts appeared, about 5 of them, the waterspouts came on land, one of them went on swirling all the way down the street and it finally splashed against the building where the senator has her office. There is currently a halt in the development of the port and we continue to pray. Air supremacy is the ruling voice that governs the atmosphere and creation experienced it.
