

## WHAT IS PROPHETIC EVANGELISM?

Jesus gave them this answer: "I tell you the truth, the Son can do nothing by himself; he can do only what he sees his Father doing, because whatever the Father does the Son also does. (John 5:19)

Prophetic evangelism is, at its most basic level, sharing the Good News about Jesus with people using the means of prophetic revelation.

## TAKING IT TO THE NEXT LEVEL: PROPHETIC EVANGELISM

- When God poured out his Holy Spirit on the Day of Pentecost, believers were given power to witness about Jesus (Acts 1:8).
- One of the gifts that God gave to his church that day was the gift of prophecy (Acts 2:17).
- Prophecy is the ability to receive and declare revelation from God. When God empowered his church to witness, he gave the gift of prophecy to help us in that task. The gift of prophecy was the key to their boldness in proclaiming the good news! (1 Cor. 14:24–25).

## PROPHETIC EVANGELISM

It begins with hearing or seeing from God, how and what He wants you to pray, speak and do in the process of witnessing, as well as where and to whom. Prophetic evangelism involves sharing a prophetic message from God with someone who is not a Christian.
